

Welcome Message

World Peptide Congress

October 24-25, 2019 | Osaka, Japan

Md. Iqbal Mahmood

Institute for Molecular Science, Okazaki, Japan

Dear Colleagues,

It is my great pleasure to warmly welcome you on behalf of the World Peptide Congress 2019 organizing committee and invite you to attend the World Peptide Congress 2019 in Osaka, Japan, October 24-25. This global meeting will congregate the world leaders in the expanding field of peptide science. Peptide 2019 conference shares an insight into the recent research which gains immense interest with the exuberant presence of adepts, young and brilliant researchers. It promotes top level research of the peptide science (antimicrobial peptides, glycopeptides, bioactive peptides and their bioactivities or areas of therapeutic applications, etc), thus making discussions, presentations more internationally and focusing attention on the recent outstanding achievements in the field of peptide, and future trends and needs. We welcome you to this conference and look forward to your participation

yours sincerely,

Md. Iqbal Mahmood
