

Dear Colleagues,

It is my great honor and pleasure as a Keynote Speaker to invite you to participate in the “2nd European Physics Congress” during May 20-21, 2019 at Berlin, Germany.

Physics Congress 2019 brings together experts, researchers, scientist, Professors, industry representatives, postdoctoral fellows, and students from around the world, providing them with the opportunity to share their achievements, to discuss scientific questions, and to meet challenges in physical science.

We welcome and encourage students and postdoctoral researchers to our Physics Congress, providing them the opportunity to show their achievements in physics research and the platform to share their young and revolutionary ideas.

I have all the reasons to envisage that Physics Congress 2019 will be productive and exciting. May I wish you a very enjoyable and entertaining stay in Berlin, Germany.
